By signing below, I acknowledge that all of my questions about CMI have been answered and I request that I obtain my course materials from a source other than via CMI and that the University has my approval to remove me from the CMI for the course listed above. I understand that I have until the end of the first week after the start of the semester to revoke this request to the Bookstore in writing if I have reconsidered and elect to obtain my course materials via CMI. I consent to and understand that the above information will be shared with third-party vendors (such as VitalSource, the common digital platform provider, and the applicable publisher) so that they may remove my access to the CMI course materials.
